BURIAL BLOWER **Loop Charged Spa Blower**

Ground installed Spa Blower from our Special Projects Division...for absolute silence of operation

- The Ultimate Spa Blower was developed in 1991 and has proved itself with 29 years of quiet reliability.
- The Blower can be buried in any soft garden areas, alcoves in pool equipment rooms, even mounted next to the spa if required.
- The noise level is 52db at 1 metre - very quiet.
